Caveats - Please Read
Data is as at 14-April-2025 for reporting years 2017 to 2024 as of the April and August Single Data Return (SDR) and has been sourced through administrative data held by the TEC.
Tertiary Education Organisations (Universities, Te Pūkenga, Wānanga and Private Training Establishments) submit their SDR data three times a year (April, August, and December), and each submission reflects all known enrolments and delivery at the time.
Data relates to all learners reported in each SDR return, including both domestic and international learners.
All learner values in this information request have been rounded to the nearest five. Due to rounding, the underlying values may not add up exactly to total values.
Learners can be counted more than once when they are reported in more than one Te Pūkenga business division. The totals in the table removes learners that are counted more than once. Therefore, the sum of learner numbers by Te Pūkenga business division may not
Results are based on information reported through the Single Data Return (SDR)and relies on the accuracy of data reported by TEOs.
This data has been compiled specifically to respond to this question. It uses administrative data collected by the Tertiary Education Commission for the purposes of funding tertiary education, and relies on the accuracy of data reported by TEOs. Care should be taken
