Benefit	Quarter ending	
	June 2023	June 2026
Jobseeker Support	369	714

Notes:

- Working age is 18 to 64 years.
- This is number of sanctions, not clients. A client can have more than one sanction in a period.
- Territorial Local Authority is based on the client's address recorded by the Ministry of Social Development at the time period.
- To protect confidentiality, the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data.
- These data tables have had random rounding to base three applied to all cell counts in the table.
- The impact of applying random rounding is that columns and rows may not add exactly to the given column or row totals.
- The published counts will never differ by more than two counts.
