

Answer to Written Question 9362 (2026)

Crown Infrastructure Delivery:

The below table provides recipient entity, amount, purpose and distributed since November 2023. CID administered this funding and was not involved in the decisions to award it to these entities and projects. CID does not hold information on who the “*the current member(s) of the governing parties' boards, officers, or staff*” are so do not know whether any of them hold a governance or paid role in any of these entities.

Recipient Entity	Total amount distributed 27 November 2023 to date (excluding GST)	Purpose
