

Appendix one: Number of EAP sessions that Corrections staff engaged in the 2022/23 and 2023/24 financial years and the costs incurred for these periods.**Table notes:**

- As per Corrections' standard reporting conventions, data is provided by financial year.
- These figures include all EAP services accessed by staff or their immediate family members over this period, including counselling or any other support for personal or work-related reasons. The data is not specific to any particular event, but covers all use of EAP, which can be for a variety of reasons.
- Corrections regularly encourages staff to access these services when needed, including via email reminders of services available to staff and Corrections' intranet.

Financial year	Sessions	Cost
2022/23	4,254	\$ 760,221
2023/24	5,660	\$ 1,044,626
