|---------------------------------------------------|-----------------------|-------|-----------------------|-------|
|                                                   | Salary Range          | Count | Salary Range          | Count |
| Deputy Chief Executive                            | \$275,993 - \$373,403 | 5     | \$275,993 - \$373,403 | 5     |
| General Manager                                   | \$100,997 - \$253,081 | 13    | \$163,940 - \$259,891 | 13    |
| Director                                          | \$134,649 - \$253,081 | 11    | \$138,071 - \$259,891 | 6     |
| Senior Manager                                    | \$114,614 - \$214,992 | 51    | \$118,052 - \$221,802 | 42    |
| Area or Regional Manager                          | \$93,177 - \$135,231  | 41    | \$104,027 - \$139,288 | 8     |
| Manager                                           | \$70,819 - \$214,992  | 117   | \$82,988 - \$186,802  | 103   |
| Team Leader                                       | \$70,819 - \$135,231  | 45    | \$76,355 - \$139,288  | 33    |
| Chief or Deputy Chief Role                        | \$159,950 - \$373,403 | 8     | \$163,940 - \$373,403 | 7     |
| Engineer, Architect or Enterprise Role            | \$80,571 - \$214,992  | 36    | \$82,988 - \$184,489  | 40    |
| Coordinator, Administrator, Assistant, or Officer | \$51,461 - \$107,597  | 65    | \$53,461 - \$110,825  | 50    |
| Data Collection Specialist                        | \$51,461 - \$76,850   | 414   | \$53,461 - \$83,772   | 285   |
| Statistical and Data Technician                   | \$51,461 - \$76,850   | 55    | \$53,461 - \$79,156   | 42    |
| Other Roles – Advisor (All levels)                | \$57,846 - \$178,516  | 214   | \$59,846 - \$184,489  | 145   |
| Other Roles – Analyst (All levels)                | \$51,461 - \$180,761  | 581   | \$72,944 - \$184,489  | 479   |
| Other Roles – Other (All levels)                  | \$53,326 - \$180,761  | 73    | \$59,846 - \$186,802  | 65    |
| Total                                             |                       | 1729  |                       | 1323  |

Please note, in order to prepare this response within the allocated WPQ timeframe and provide a breakdown by job title and salary band these figures have been calculated using administrative payroll system data. This data does not align to workforce data standard - for official workforce statistics see: <https://www.publicservice.govt.nz/research-and-data/workforce-data-public-sector-composition>
