

20632 (2025). Francisco Hernandez to the Minister for ACC: How much, if anything, did the Minister's departments, agencies, crown entities and any other bodies that the Minister is responsible for, if any, spend on flights in 2025 to date, broken down into international and domestic flights?

The table below shows ACC's corporate spend on flights in each financial year from 2020 to 2025 to date, broken down into international and domestic flights.

	FY20	FY21	FY22	FY23	FY24	FY25
International	\$273,083	\$1,259	\$5,963	\$236,371	\$360,426	\$190,783
Domestic	\$2,291,247	\$734,270	\$424,919	\$1,690,250	\$1,531,290	\$1,197,419
Total by FY	\$2,564,330	\$735,529	\$430,882	\$1,926,621	\$1,891,716	\$1,388,202

Notes on data

- Data has been provided based on financial year (1 July to 30 June).
- It does not include costs of client flights for rehabilitation purposes.
- FY25 data is taken from 1 July 2024 to 30 April 2025 (based on date of extraction and data available).
