PQ 26860 (2025) Hon Barbara Edmonds Appendix: "How much funding will be carried over, if any, in each of the Vote's that the Minister has responsibility, if any, for from the 2024/25 year into the 2025/26 year and what for what reason or reasons will these funds be carried over?"

Appropriation	Amount ($m)	Reason
Compliance with and Administration of the Overseas Investment Regime	2.000	This is a result of longer than anticipated lead in times between investigation and commencing court proceedings.
Bad and Doubtful Debts	0.250	This is to cover the risk of debtors becoming doubtful or bad debts in the coming years which is outside of our control.
Location Based Information MCA – Location based information infrastructure	106.868	This is due to re-phasing committed funding to align with the signed SouthPAN on-supply agreement with Geoscience Australia and satellite payload contract milestones, following the final procurement process. LINZ will do a rephasing of funding in 2025/26 post the final procurement process for the second satellite payload.
Land Information New Zealand Capital Injection	9.981	This is due to re-phasing of funding following signing of the on-supply agreement as part of the SouthPAN (Southern Positioning Augmentation Network) work programme.
Survey and Title memorandum account line of credit facility	10.000	The re-phasing of the available credit facility is in line with cash projections for 2025/26.
