

Table One: Number of Emergency Housing Grants declines during 1 August 2024 to 31 October 2024 by month.

Month ending	Declines	
	Total Declines	Distinct Clients
August 2024	402	393
September 2024	426	411
October 2024	423	414

Notes:

- A client may have more than one grant or decline within a period.
- To protect confidentiality the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data.
- These data tables have had random rounding to base three applied to all cell counts in the table.
