**Please note:**

- Where the headcount is lower than 5, it has been anonymised with "< 5".
  - Type A (Principal) Diagnosis details only
  - Service users that were diagnosed with an eating disorder in different years will be counted more than once
  - Service users that were diagnosed with more than one eating disorder event in a calendar year will be counted only once in each year
  - Age is calculated at the date of admission. Service users recorded in more than one age group in a calendar year will be counted once in each relevant age group
  - Eating disorders are defined as ICD-10-AM version 8 code of 'F50'
- F500 - Anorexia nervosa  
F501 - Atypical anorexia nervosa  
F502 - Bulimia nervosa  
F503 - Atypical bulimia nervosa  
F504 - Overeating associated with other psychological disturbances  
F505 - Vomiting associated with other psychological disturbances  
F508 - Other eating disorders

F509 - Eating disorder, unspecified
