

Table 26584 (2026). How many referrals were made to the Healthy Homes Initiative in each financial year since 2021/22, broken down by district?

District	2021/22	2022/23	2023/24	2024/25	Up to 31 December 2025
Northland	604	400	500	567	292
Waitemata Auckland	892	724	1024	1265	776
Counties Manukau	936	1128	1442	1548	907
Waikato	538	403	743	723	499
Lakes	267	586	357	344	176
Taranaki	N/A	110	231	273	116
Bay of Plenty	566	1556	1181	1233	405
Tairāwhiti	115	112	87	120	67
Hawke's Bay	393	641	503	502	221
Whanganui	N/A	N/A	69	98	34
MidCentral	N/A	153	279	408	215
Wellington	563	928	808	835	1658
Wairarapa	N/A	53	75	61	19
Nelson Marlborough	N/A	N/A	86	86	72
West Coast	N/A	N/A	54	45	29
Canterbury	N/A	300	584	1086	226
South Canterbury/ Southern	N/A	222	177	181	56
	4,874	7,316	8,200	9,375	5,778

Notes:

- Data extracted 9 June 2026.

- The Healthy Homes Initiative was initially established in selected districts with a high incidence of rheumatic fever, covering 11 district health boards, and was subsequently extended nationwide from 1 July 2022. Accordingly, some districts do not have data recorded for earlier years because services had not yet been implemented in those locations.
