

WPQ 312 (2024)

Table 1: Disputes Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
112	1,485

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearing's, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 4 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- The age of an active application is calculated as the number of days between the last activation date and 31 January 2024.

Table 2: Tenancy Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
34	673

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearings, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

Table 3: Motor Vehicle Disputes Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
72	187

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearings, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

Table 4: Human Rights Review Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
797	4,144

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearing's, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

Table 5: Alcohol Regulatory & Licensing Authority

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
185	2,274

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearings, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

Table 6: Real Estate Agents Disciplinary Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
302	573

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearings, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

Table 7: Canterbury Earthquakes Insurance Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
631	1,625

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearing's, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 3 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

WPQ 312 (2024)

Table 8: The Copyright Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
0	0

Notes for Table:

- There have been no applications active in the Copyright Tribunal since 2016.

Table 9: Immigration & Protection Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
237	2,316

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearings, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

Table 10: Land Valuation Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
222	2,569

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearings, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

Table 11: Legal Complaints Review Officer

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
378	1,314

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearing's, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

Table 12: Legal Aid Tribunal

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
73	70

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearing's, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Only 15 cases were disposed of in 2023 for this jurisdiction. Care should be taken when interpreting this data.
- Age of actives is calculated from the date the application is received to 31 January 2024
- The Legal Aid Tribunal has only one active application as at 31 January 2024.

Table 13: Social Security Appeal Authority

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
373	2,626

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearings, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 7 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Age of actives is calculated from the date the application is received to 31 January 2024.

Table 14: Taxation Review Authority

Average number of days to dispose of applications for the 12-month period ending 31 Dec 2023	Age in Days of oldest active application as at 31 January 2024
1,268	1,388

Notes for Table:

- Time taken for cases to be disposed in Tribunal jurisdictions may be impacted by factors such as appeals to District and Senior Courts, rehearings, adjournments, settlement discussions, or cases being suspended or on hold.
- This data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 8 February 2024.
- Disposal figures require a time period, not a single date for reference.
- Age of disposals is calculated in calendar days from the date the application is received to the date it is completed, for cases completed in the 2023 calendar year.
- Only 9 cases were disposed of in 2023 for this jurisdiction. Care should be taken when interpreting this data.
- Age of actives is calculated from the date the application is received to 31 January 2024.
