

PQ 9484 (2024). Arena Williams to the Minister for Building and Construction:

What briefings, advice, reports, or other documents, if any, has the Minister or his office received about the Building Act amendment bill?

ANSWER

Hon Chris Penk (Minister for Building and Construction) replied:

In my capacity as Minister for Building and Construction, I received the following papers on a Building Act amendment bill which will be introduced to give effect to the extension to earthquake-prone building remediation deadlines:

Title	Date Received
Possible extension of earthquake-prone building remediation deadlines and review of the earthquake-prone building system	2 February 2024
2024 Legislation Programme- Building and Construction Portfolio	16 February 2024
2024 Legislation Programme – Building (Earthquake-prone buildings and other matters) Amendment Bill	16 February 2024
Summary of feedback on proposals to extend earthquake-prone building remediation deadlines and undertake a review of the system	20 March 2024
Draft Cabinet paper – Update on the Building Fire Safety Work Programme	19 April 2024
