Please note:

- New regional names (Tāmaki Herenga Tāngata, Tāmaki Herenga Manawa, and Tāmaki Herenga Waka) were established in 2023, which is how funding is now recorded in Ministry of Education systems. A breakdown by calendar year and by region requires the verification of each and every Auckland application, which is not possible in the available time to respond to a written parliamentary question.
- The 2023 calendar year includes the last half of the 2022/23 Financial Year and the first half of the 2023/24 Financial Year. The regional allocations are made per financial year, and regions used local processes to determine when applications were processed and funding released within that financial year.
- Wellington did not approve any grants in the 2023 calendar year. They approved their 2022/23 Financial Year grants in the latter half of 2022, and their 2023-24 Financial Year grants were made in the first months of 2024.
