

WPQ 12357 (2025): How many, if any, people held a temporary visa and had done so for at least 5 years as at 1 June each year from 2022?

Table 1: The number of individuals who held a temporary visa for at least five years on 1 June each year from 2022, broken down by year, as at 24 March 2025.

Year	Total
2022	104,215
2023	58,138
2024	57,632

**The data includes visa holders who held multiple temporary visas granted consecutively over the five-year period.*

The visa holders may have held the same or different types of temporary visas over the five-year periods, for example the visa holder may have held both work and student visas over the five-years.
