

Appendix one: Current unit unlock regime at Northland Region Corrections Facility.**Table notes:**

- The standard unit operating day at Northland Region Corrections Facility is currently from 8:00 to 17:00. The below table shows the hours prisoners are unlocked for within each operating day.
- Unlock hours for Unit 12 Karamu and Unit 12a Karo are based on the individual unit's management plan.
- All prisoners in Unit 12 Karamu and Unit 12a Karo are afforded their minimum entitlements, including entitlements to a minimum of one hour of physical exercise on a daily basis, access to visitors and access to phone calls. This is a minimum entitlement and people are provided with more time outside their cells wherever possible.
