<i>19 March 2025</i>	<i>Strategic Pay</i>	<i>Strategic Pay provided expertise and support on the development of the Gender Pay Gap Toolkit, including baseline research to understand perceptions and practices of business relating to gender pay gaps. A survey was included in the overall cost of this project.</i>	<i>The Strategic Pay Limited survey supported the creation of a report on organisations across New Zealand about perceptions and practices relating to gender pay gaps.</i>
<i>21 July 2025</i>	<i>YWCA</i>	<i>The YWCA conducted a survey as part of a project to engage with over 1300 young women and create a report on perceptions on pay. The survey was included in the total cost of the project.</i>	<i>The Ministry for Women commissioned YWCA Auckland to survey and create a report on young women's perceptions on pay to help inform a guide for the gender pay gap toolkit.</i>
