**Question:** How much is owing in outstanding Child Support payments per year over the last 5 years, broken down by region and by year?

**Reply:** As at 30 June in each of the last five years, the total child support debt outstanding was broken down by region according to the attached table.

Please note that:

1. A customer's region is based on the Inland Revenue office nearest to their residential address.
2. Figures for 2008 are not directly comparable to those reported in Inland Revenue's annual report due to reporting system refinements, but is a more accurate reflection of child support debt for 2008;
3. Figures differ from those reported in Inland Revenue's annual reports for 2009 to 2011 inclusive due to rounding.
