*Delivery site location is based on the Statistics New Zealand 2006 Territorial Authority

Caveats:

The data was extracted on the 14 October 2025 for the 2025 reporting year (year-to-date).

Note that data for 2025 is year-to-date (January to August) and will change, care should be taken when using this data. Providers (Universities, Te Pūkenga, Wānanga and Private Training Establishments) submit their Single Data Return (SDR) data three times a year (April, August, and December), and each submission reflects all known enrolments and delivery at the time.

Data is limited to Private Training Establishments (PTEs) who reported learners enrolled in Level 1 qualifications in Auckland under either Source of funding:

- Delivery of Qualifications at Levels 1 and 2 or;
- Youth Guarantee

Regions and Territorial Authority (i.e. council area) are based on Statistics New Zealand 2006 region definitions. For learners enrolled in provider-based study SDR, the region is based on where the course was delivered.

Results are based on information reported through the Single Data Return (SDR) and relies on the accuracy of data reported by TEOs.

This data has been compiled specifically to respond to this question. It uses administrative data collected by the Tertiary Education Commission for the purposes of funding tertiary education and relies on the accuracy of data reported by TEOs.
