Notes for all tables:

- Data extracted 10 June 2026.
- The data is taken from the HQSC Harms Portal and is combined from three different extracts.
- The information for the latest financial year, July 2025 to June 2026, is incomplete. We can only display by month and SAC total but not by district, and only for the period to May 2026.
- The event category we have chosen to display the data by is SAC (Severity Assessment Code) rating. The definitions for these are:
    - SAC1 – Severe – Death or harm causing severe loss of function and/or requiring life-saving intervention.
    - SAC2 – Major-Harm causing major loss of function and/or requiring significant intervention.
