Funding for Reading Recovery (includes Teacher Salary costs and University Support costs)

Year	Total
2015	$25,236,708.50
2016	$25,632,368.50
2017	$26,077,401.50
2018	$26,633,222.50
2019	$27,352,742.00
2020	$29,114,242.00
2021	$29,891,710.52
2022	$29,891,710.52

Students involved in Reading Recovery

Year	Number of Students in Reading Recovery
2015	10,693
2016	10,178
2017	9,463
2018	8,936
2019	8,336
2020	Data were not centrally collated as a security vulnerability with the Reading Recovery database required the Ministry to take the system down while a new platform was developed.
2021	This data is being analysed within the Ministry and is intended to be available in the second quarter.
2022	Data not yet available

Data for 2022 schools involved in Reading Recovery will be collated in December 2022 and January 2023 for collation and analysis in quarter 1 2023.
