

Appendix One: The total number of sentenced and remand prisoners aged 25 and under, for the last six quarters by prison site.**Table notes:**

- Data is a snapshot of the number of prisoners aged 25 and under, as at the end of each quarter.
- Corrections manages people at the direction of the Courts and the New Zealand Parole Board. Corrections does not decide who is in prison and who is in the community, which is a matter for the Courts and New Zealand Parole Board.
- The prison population fluctuates daily due to arrests, releases and decisions made by the Courts.
