Notes:

- Main Benefits exclude NZ Superannuation, Veteran's Pension, Non-Beneficiary assistance, Orphan's Benefit and Unsupported Child's Benefit.
- The table includes working age only (18 to 64 years).
- Case management is based on the client having programme tag and assigned to a case manager.
- To protect confidentiality, the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data.
- These data tables have had random rounding to base three applied to all cell counts in the table.
- Random rounding does not round down to zero, a value of one or two will be rounded to three.
- The impact of applying random rounding is that columns and rows may not add exactly to the given column or row totals.
- The published counts will never differ by more than two counts.
