

17722 (2021)**Table.1**

% of Regular Attendance (>90%)	Number of Secondary Schools
90 - 100%	0
80 - 89%	4
60 - 69%	39
50 - 59%	67
40- 49%	76
30 - 39%	42
20 - 29%	35
10 - 19%	12
<10%	6

Note that the percentage groups have been redefined from the original question to clearly distinguish each percentage group.

Note that Term 2 and Term 4 data are not comparable, as Term 2 recorded 7 weeks of onsite attendance after the COVID-19 national lockdown, whereas Term 4 recorded 10-11 weeks of onsite attendance. Term 4 generally does not include attendance data for students on exam leave. There are also differences in seasonality between the two Terms which effects rates of illness.

Composite and special schools are excluded from this data.
