

**PQ 566 and 567 (2015) Table One: The number of Supported Living Payment applications processed by Work and Income, broken down by whether they were approved and declined, for the quarter ending December 2014.**

<b>Quarter ending</b>	<b>Total number of applications processed</b>	<b>Number of granted applications</b>	<b>Number of declined applications</b>
December 2014	4,604	3,449	1,155

Note:

SLP is Supported Living Payment and Supported Living Payment Overseas

The table includes working age only (18 to 64 years)

This represents a count of applications not individuals as the same person may have applied for a benefit more than once in the period
