

WPQ 12631 (2025)

Appendix One: Amount spent on temporary accommodation for staff, contractors, or consultants by Corrections, for the period 27 November 2023 to 21 March 2025.

Reason For Temporary Accommodation	Total
Emergency Response	\$6,521.44
Secondment*	\$3,468,477.34

Table Notes

Secondment primarily refers to frontline prison staff who are seconded to work in other prison sites to help address staffing pressures at those sites. These secondments can take place over an extended period of time, and therefore require accommodation to be provided by Corrections. In rare cases, non-prison staff on secondment may require temporary accommodation.
