Attachment for WPQ 32179 (2026): Proportion of Kāinga Ora tenancies terminated per month that had a main tenant who identifies as Māori, between December 2023 and June 2026

Māori tenants make up approximately 36 percent of all Kāinga Ora tenants. Over this period, 57 percent of ended tenancies for rent debt were associated with a main tenant who identifies as Māori. A person may identify themselves as having a particular ethnicity, either as their sole ethnicity or as one of several. Note that this information is based on the main tenant only and does not represent the ethnicities in the entire household.
