Notes:

- Data as at 1 January 2024 is unavailable as reporting is done on a month-end basis.
- The table above summarises the vacant FTE for the Ministry of Health and the Cancer Control Agency, a departmental agency hosted by the Ministry.
- For the purposes of this response, vacant FTE has been interpreted as:
 - Positions that are vacant and being actively recruited to.
 - Positions that are filled by a contractor/casual worker.
 - The unfilled portion of positions that are partially filled, e.g. where a position is 1 FTE and filled by a part-time employee.
 - Positions that are vacant due to the substantive holder being on secondment, leave without pay or parental leave.
