Table notes:

- Corrections contracts services that cover a wide range of languages, including Pacific languages.
- The interpreting service arrangements listed in this table are accessed through the Ministry of Ethnic Communities Open Syndicated Agreement panel (previously administered by MBIE).
- The translation services are procured from DIA, who Corrections has a terms and conditions agreement with.
- The 'Valid from' date shows the timeframe of the current contract, noting that some services have been in place for a number of years and have subsequently been renewed.
