

Table 13327 (2026). What is the current number of practising gynaecological oncologists in the Southern region, expressed in full-time equivalents, and how has this changed over the past five years?

Obstetrician and Gynaecologist contracted FTE in South Island Region

District Name	2021	2022	2023	2024	2025
Canterbury	29.6	28.8	29.5	31.0	32.9
Nelson Marlborough	5.0	5.1	4.5	6.6	5.1
South Canterbury	3.0	3.0	3.0	3.0	4.0
Southern	12.2	14.6	17.2	16.5	15.3
West Coast	2.5	2.5	2.5	2.5	2.0
Total	52.3	53.9	56.7	59.6	59.3

Notes:

- Data extracted 13 April 2026.
- Data is as at 31 December of each year.
- Health New Zealand does not aggregate data down to the specificity of gynaecological oncologist; however, available data for obstetricians and gynaecologists within South Island Region is provided.
