

**Appendix One: The number of people in prison that are currently on a waitlist to attend a rehabilitation programme, broken down by prison and rehabilitation service type, as at 30 September 2025.**

**Table notes:**

- The Alcohol and Other Drug (AOD) High Intensity Programme with a waitlist of 84 people, the AOD Moderate Intensity Programme with a waitlist of 52 people, and the AOD Low Intensity Programme with a waitlist of 40 people cannot be broken down by prison as people may be transferred to different prisons to attend the programmes depending on availability.
- There 862 people on the AOD assessment waitlist. They are awaiting assessment to determine which, if any, AOD treatment programme best matches their level of AOD need.
- Data provided for those waitlisted for psychology programmes shows the prison they are currently at and is not always indicative of the prison they are waitlisted to attend a programme at.
- Those waitlisted for 1:1 psychology treatment have also been included as the request asked for those waitlisted for a psychology rehabilitation service, and did not specify a psychology programme.
- Not all programmes are delivered in every prison, a person may be counted multiple times if they are on a waitlist for more than one programme.
- Data provided is manually recorded at each site and is provided to the best of Corrections' ability.
- Waitlists are national and people regularly transfer to attend programmes, so the prison they are at currently may not reflect where they will complete a programme.
