

Table 44272 (2024). The number of mental health presentations at emergency departments in April, broken down by region.

Region	Presentations
Central	392
Northern	559
Te Manawa Taki	232
Te Waipounamu	548
Grand Total	1731

Table notes:

- April 2024 is the most recent data available. Data extracted 25 July 2024.
- Event type = ED (not outpatient)
- ED Presentation is defined as having purchase unit in ('ED02001','ED02001A','ED03001','ED03001A','ED04001','ED04001A','ED05001','ED05001A','ED06001','ED06001A')
- Attendance code = 'ATT' (excludes people that did not wait in ED)
- Presents a subset of total ED attendances where a SNOMED mental health presenting complaint has been recorded as "Abnormal Behaviour", "Aggressive Behaviour", "Anxiety", "Insomnia", "Mental Health problem", "Self-harm", "Situational crisis", "Suicidal thoughts"
- MH presenting complaint concept ID in ('25786006', '61372001', '48694002', '193462001', '413307004', '248061004', '32937002', '6471006')
- Known data quality and completion issues exist with SNOMED coding, therefore this information should be used with caution.
- This data is provisional and has not undergone full quality assurance.
