Notes for Table 1:

- Tribunal data is extracted from a live dataset that is used for operational purposes, meaning the data will be updated with late data entry. Therefore, this data may differ to data reported elsewhere with a different extraction date. These tables were extracted on 3 June 2025.
- Disposal time is calculated in calendar days from the date of receipt of the appeal application by the tribunal to the date of its final outcome.
- The overall average disposal time represents the average age in days for all appeals disposed in the calendar year.
- *2025 data represents the five-month period from 1 January 2025 to 31 May 2025. Data is compiled monthly - June 2025 data is not yet available.
- A dash '-' denotes a year where there were no appeal disposals.
