Please note:

- Children and young people are counted once in a residence/fiscal year regardless of the number of admissions in that residence in the fiscal year.
- Children and young people may be counted more than once in the fiscal year, if they appear in 2 or more residences during the reporting period.
- The sum of distinct children and young people in residences is higher than the total distinct in the fiscal year.
- Whakatakapokai was officially opened in April 2021 and therefore data is only available from the 2021/2022 financial year onwards.
