

WPQ 80669 table: The number of Accommodation Supplement recipients as at month ending October 2023 and November 2024 by month ending.

Month ending	Accommodation Supplement
October 2023	356,013
November 2024	377,031

Notes:

- Accommodation Supplement is paid weekly for rent, mortgage or board costs.
- The number of recipients of Accommodation Supplement is the number of individuals, couples or families receiving an accommodation supplement for their housing purposes.
- It is not necessarily a count of households.
- To protect confidentiality the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data.
- These data tables have had random rounding to base three applied to all cell counts in the table.
- The impact of applying random rounding is that columns and rows may not add exactly to the given column or row totals.
- The published counts will never differ by more than two counts.
