Table notes:

- Spend provided for full months only, as most Districts were unable to provide the data for the last three days of November 2023 and first two days of September 2024 within the timeframe allowed for responding to Written Parliamentary Questions.
- Christchurch Womens' Hospital figures are included in Christchurch Hospital totals as these are one campus.
- Princess Margaret Hospital is closed to inpatients. Any costs are included in Hillmorton totals.
- Excludes any spend claimed as a work-related expense
