Table notes:

- Figures are accurate as at 27 August 2025. Numbers and categorisations may be subject to change as investigations are completed.
- Serious - an act of physical violence that involves one or more of the following: bodily harm requiring medical intervention by medical staff followed by overnight hospitalisation (beyond initial assessment or medical observation) in a medical facility; bodily harm requiring extended periods of on-going medical intervention; or sexual assault of any form where Police charges have been laid.
- Non-serious - an act of physical violence that results in physical injuries that may require medical treatment, and/or overnight hospitalisation as part of initial assessment, or medical observation but not on-going medical treatment (e.g. blood nose, x-ray required, cuts requiring minimal stitches, gouging, or bites).
- No injury - an act of physical violence that does not result in physical injuries or require any form of medical treatment (e.g. kicking, shoving, jostling, striking, or punching that did not result in injury).
