

WPQ 12992 (2024) Maps

Operation Cobalt activities officially commenced in Tāmaki Makaurau on 13 June with the rest of New Zealand starting on 27 June 2023. Map 1 covers reporting from 10 November 2023 to 23 November 2023, map 2 covers from 26 April 2024 to 9 May 2024 with the ▲ used to reflect the fortnightly increase. Manual data (firearms, searches) is incomplete as some Districts did not report their activity measures this fortnight, where 'x' indicates no return.

Map 1

¹ Includes both Dedicated and Non-Dedicated Staff – for a further breakdown please refer to Page Three. Please note charges and IONs are provided by 'Team Leader Information Management, Capability – automatic BusinessObjects report Operation Cobalt – District Activity Measures 2024-05-10. Searches and firearms seized are reported manually by District Coordinators for period 26 April to 09 May 2024.

² Includes non-gang related searches.

³ Includes searches warranted under Criminal Activity Intervention Legislation Act. It is possible activities conducted under CAII were also counted as separate warranted searches in figures above.

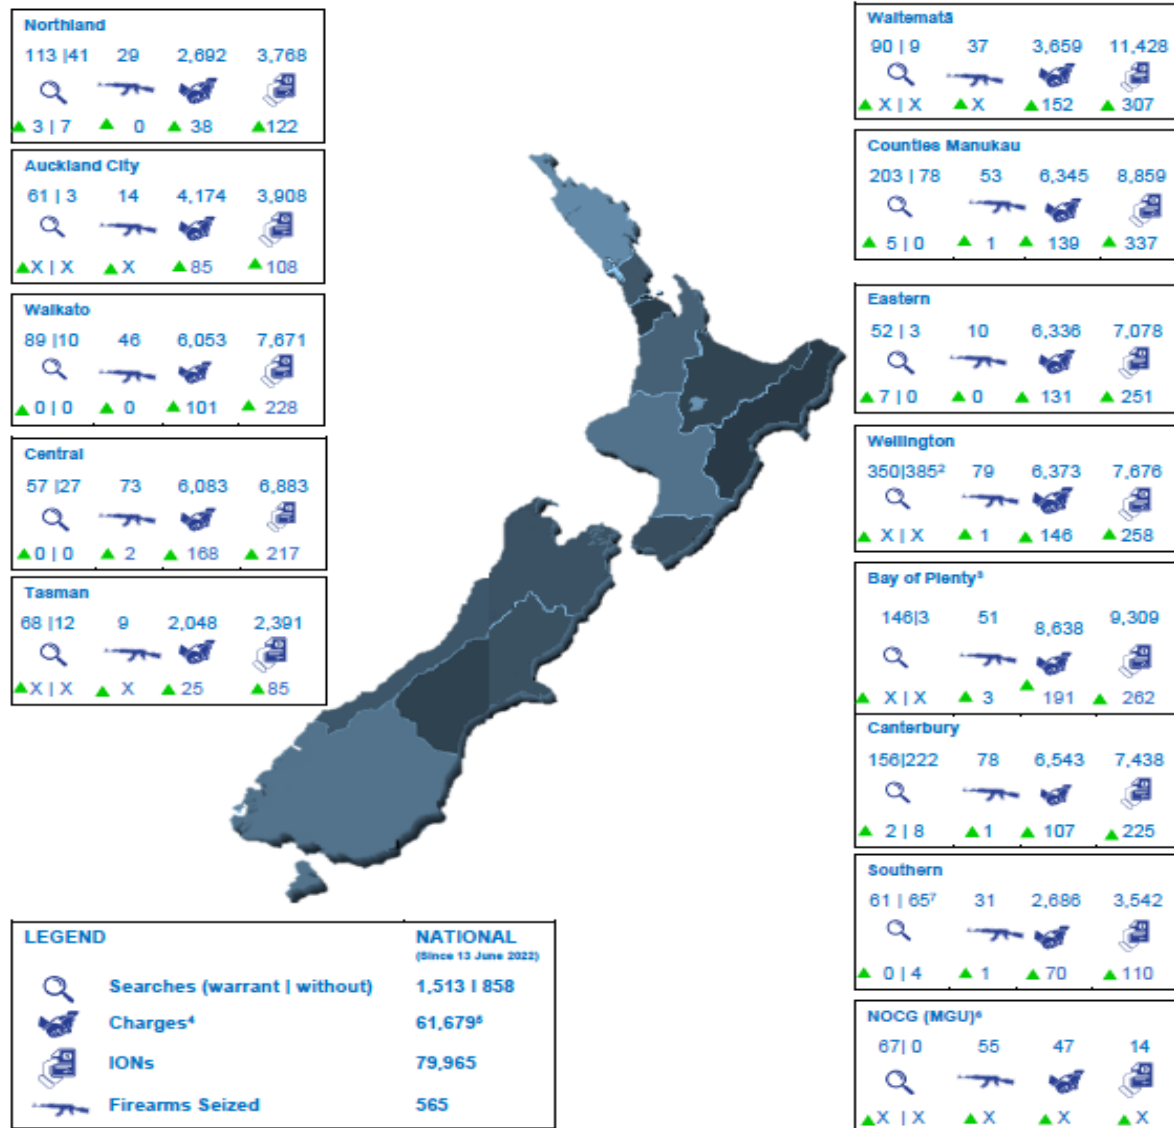

⁴ Prosecutions, warnings, and infringement notices that had a mode of arrested, summonsed, other, or courts held (Youth/TPO referrals are not shown)

⁵ National total includes two changes from a non-dedicated staff member - "not specified" district.

⁶ NOCG (MGU) will replace FCG and NOCG National data from report disseminated on 12/06/2023 onwards.

⁷ Totals include two warranted searches that were outside the fortnightly window from the 13/10/23-26/10/23 period.

Map 2
