Notes:

- This data is extracted as at the end of April 2026.
- This data includes all case statuses of review of decision cases.
- This data includes only review of decision cases with a reason of 'Marriage type relationship/Married'.
- To protect confidentiality the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data.
- These data tables have had random rounding to base three applied to all cell counts in the table.
- Random Rounding does not round to zero. A value of one or two will be rounded to three.
- The impact of applying random rounding is that columns and rows may not add exactly to the given column or row totals.
- The published counts will never differ by more than two counts.
