Notes:

- Dashes indicate that data isn't reported.

- New starters are employees whose reported employment start date was between 1 October 2023 and 31 March 2025.
- New starters will include people who have left one district and started work in another, or who have started work in the Health New Zealand National Office. Due to the anonymised nature of the data collection, this cannot be tracked or quantified.
- While reasonable care has been taken to prepare this material, we give no guarantee that it is free from errors or defects. It is the best available data.
