Table 2589 (2026)

Year	Type
2015	One allegation related to communication style. Investigated internally. Not upheld
2016	One allegation related to communication style. Investigated externally. Not upheld
2017	0
2018	0
2019	0
2020	0
2021	0
2022	0
2023	0
2024	0
2025	One allegation related to feedback on work performance and potential exclusion from meetings. Investigated externally. Not upheld

Notes:
The response above is partial, covering only where data exists. Few reports of alleged workplace bullying are received each year, so it is not further categorised into more detailed categories in most cases.
