| <b>Sep-23</b>  | 24                | 4.4                      | 4                       |
| <b>Dec-23</b>  | 21                | 5.4                      | 5                       |
| <b>Mar-24</b>  | 15                | 4.6                      | 4                       |
| <b>Jun-24</b>  | 9                 | 4                        | 3                       |

**Notes:**

- From 2 December 2019, The Ministry of Social Development has the
- Emergency housing is paid to the primary applicant as a Special Needs Grant.
- A client may receive more than one grant within a period.
- To protect confidentiality, the Ministry of Social Development uses random rounding.
- These data tables have had random rounding to base three applied.
- Random rounding does not round down to zero, a value of one or two is used.
- The impact of applying random rounding is that columns and rows may not add.
- The published counts will never differ by more than two counts.

**WPQ 49614 Table Two: The average and median number of grants for Emerge**

| Quarter Ending        | Northland         |                          |                         |

| <b>March 2024</b>     | 2,778             | 4.1                      | 4                       |
| <b>June 2024</b>      | 2,400             | 4.1                      | 4                       |

**Notes:**

Ethnicity data is self-identified and multiple ethnicities may be chosen by an individual.  
 Total response ethnicity means that if a person identifies with more than one ethnicity, all are recorded.  
 Because a client can choose more than one ethnic response, the total number of MELAA refers to Middle Eastern, Latin American, and African.  
 Because a client can choose more than one ethnic response, the total number of 'Unknown' is where ethnicity is not recorded. 'Other' is where ethnicities fall outside the categories.  
 Emergency housing is paid to the primary applicant as a Special Needs Grant.  
 A client may receive more than one grant within a period.  
 To protect confidentiality, the Ministry of Social Development uses processes to protect personal information.  
 These data tables have had random rounding to base three applied to all cell counts.  
 Random rounding does not round down to zero, a value of one or two will be rounded up.  
 The impact of applying random rounding is that columns and rows may not add.  
 The published counts will never differ by more than two counts.

**Table Four: The average and median number of grants for Emergency Housing**

| 4,821             | 4.4                      | 4                       | 2,739             | 4.1                      |
| 4,536             | 4.4                      | 4                       | 2,646             | 4.2                      |
| 3,843             | 4.3                      | 4                       | 2,316             | 4.1                      |
| 3,705             | 4.2                      | 4                       | 2,211             | 3.9                      |
| 3,822             | 4.5                      | 4                       | 2,241             | 4.1                      |
| 3,837             | 4.4                      | 4                       | 2,172             | 4.1                      |
| 3,582             | 4.3                      | 4                       | 2,073             | 4.1                      |
| 3,318             | 4                        | 4                       | 1,821             | 3.8                      |
| 2,841             | 4.1                      | 4                       | 1,449             | 4.1                      |

Three options to record a client's or child's gender: Male, Female or Gender Diverse. The Gender Diverse option is only available for the Emergency Housing Special Needs Grant.

The data is rounded to three decimal places to make it difficult to identify an individual person or entity from published data. This is due to the large number of clients and grants across all cell counts in the table.

Numbers will be rounded to three.

The totals may not add exactly to the given column or row totals.

## Emergency Housing Special Needs Grants per client during the period 1 July 2020 to 30 June 2021

| Auckland Metro    |                          |                         | Waikato           |                          |
