

Table 7410 (2026). How much money, if any, has Te Whatū Ora spent on patient transport since 2018, broken down by financial year?

Financial year	Amount spent
2022/23	\$111,273,115
2023/24	\$122,702,207
2024/25	\$132,935,732
2025/26 (YTD January)	\$95,539,066

Notes:

- Data extracted 9 March 2026
- Data provided since Health New Zealand was established on 1 July 2022.
- Figures include Ambulance and Air Ambulance charges, and National Travel Assistance and Local Patient Travel reimbursements.
- Amounts include accommodation costs as these are coded together with transport costs and could not be separated out.
