Notes:

- Time to house is displayed as the number of days, rounded to the nearest day.
- The median time to house is the midpoint of the time to house values.
- Applications housed may have been housed with Housing New Zealand Corporation or with a Community Housing Provider.
- This includes priority A and B applications housed from both the Housing and Transfer Register.
- The A and B priority applications used in these tables are as at the time of accepting an offer of social housing, the application priority may have changed prior to this date.
- The quarter in which the tenancy was activated is the quarter in which the application has been reported as housed in.
- Territorial Local Authority (TLA) is based on the tenancy address. TLA is defined under the Local Government Act 2002 as a city council or district council.
