

Response to WPQ 64386 – Food Safety

Please refer to the attached table of communications between my office and the office of the Prime Minister between 22 July and 22 September in my capacity of Minister for Food Safety. Please note that I also update the Prime Minister's office on upcoming cabinet papers once a week.

In the week of 22 July to 28 July I, or my office, communicated with the Office of the Prime Minister regarding ministerial meeting, a cabinet paper, a press release, media engagements and a written parliamentary question.
In the week of 29 July to 4 August I, or my office, communicated with the Office of the Prime Minister regarding a cabinet paper, written parliamentary questions, and an Official Information Act request consultation.
In the week of 5 August to 11 August I, or my office, communicated with the Office of the Prime Minister regarding a cabinet paper, a press release and media engagements, as well as an Official Information Act request consultation.
In the week of 12 August to 18 August I, or my office, communicated with the Office of the Prime Minister regarding media engagements.
In the week of 19 August to 25 August I, or my office, communicated with the Office of the Prime Minister regarding an Official Information Act request consultation.
In the week of 26 August to 1 September I, or my office, communicated with the Office of the Prime Minister regarding media engagements, and written parliamentary questions.
In the week of 2 September to 8 September I, or my office, communicated with the Office of the Prime Minister regarding media engagements, and an Official Information Act request transfer.
In the week of 9 September to 15 September there were no written communications between my office and the Office of the Prime Minister
In the week of 16 September to 22 September there were no written communications between my office and the Office of the Prime Minister
