Notes:

- This is a count of grants. A client can have more than one grant in the time period.
- Emergency Housing assistance payments are granted as Special Needs Grants.
- The "Unknown/Other" region includes grants made through contact centres, MyMSD and centralised processing units.
- From August 2024, the 'type of accommodation funded' was no longer captured in the application questions for the Emergency Housing Grant (EHG).
- This change was made as part of efforts to streamline the questions asked during an EHG application and to reflect the implementation of the Emergency Housing Supplier Standards.
- To protect confidentiality, the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data.
- These data tables have had random rounding to base three applied to all cell counts in the table.
- Random rounding does not round down to zero, a value of one or two will be rounded to three.
- The impact of applying random rounding is that columns and rows may not add exactly to the given column or row totals.
- The published counts will never differ by more than two counts.
