Table notes:

- Data is for full months only as most Districts were unable to provide the data for the last three days of November 2023 within the timeframe allowed for responding to Written Parliamentary Questions, and most Districts do not have invoices available for September 2024.
- Food spend on staff includes RMO meals which is required to be delivered as per the RMO employment contracts, as well as internal catering.
- Excludes any spend claimed as a work-related expense
- Christchurch Womens' Hospital figures are included in Christchurch Hospital totals as these are one campus
- Princess Margaret Hospital is closed to inpatients. Any costs are included in Hillmorton totals
- Kaitaia Hospital was unable to provide data within the timeframe allowed for responding to Written Parliamentary Questions
