

Table 4098 (2026). The Ministry of Health's total financial contribution to the World Health Organization (WHO) in each of the last five financial years, broken down by year and by type.

Financial Year	2020/21	2021/22	2022/23	2023/24	2024/25
WHO Contribution Type	Actual (NZD)	Actual (NZD)	Actual (NZD)	Actual (NZD)	Actual (NZD)
Assessed Contribution	\$2,149,442	\$2,095,957	\$2,276,603	\$2,707,154	\$3,016,416
Framework Convention on Tobacco Control (FCTC)				\$55,041	\$57,476
WHO Radiation and Health Unit (WHO International EMF project)			\$10,000	\$10,000	\$10,000

Notes:

- New Zealand also funds the WHO through the International development programme (Vote Foreign Affairs) focused on the delivery of projects and programmes in the Pacific.
