

9182 (2024) - How many job vacancies, if any, are there in maternity units across the country, by region, job title, and full time equivalent (FTE) according to the most recently available data?

HWIP Occupations Group	Central	Midland	Northern	South Island
Midwifery	113.51	78.35	122.75	16.3

Data as of 31 December 2023. Extraction date 1 May 2024

* Vacancy data is reported from the District recruitment/HR/Payroll/Financial systems and are the roles as at a point in time.

* The vacancy data we capture does not allow us to isolate positions within specific departments. For this request we have provided the total vacancy data specifically for Midwives only.

Vacancy data for the December 2023 quarter is not available from the Canterbury and West Coast District, as they are undertaking data quality improvement processes.

9184 (2024) - How many staff, if any, are employed at each maternity unit across the country, listed by region, full time equivalent (FTE), and headcount according to the most recently available data?

HWIP Occupations Group	Central		Midland		Northern		South Island
