Caveats:

Data is as at 30-Sept-2025 for reporting years 2020 to 2025 as reported in the August SDR and has been sourced through administrative data held by the TEC.

The response includes all learners reported by 6009 Universal College of Learning (UCOL) in the Single Data Return

All learner numbers in this information request have been rounded to the nearest five.

Learners can be counted more than once when they are reported in more than one delivery site. The totals in the tables remove learners that are counted more than once. Therefore, the sum of learner numbers by individual categories may not equal the totals in the tables.

Results are based on information reported through the SDR for the purposes of funding tertiary education. The data does not include any reporting outside of the SDR and relies on the accuracy of data reported by TEOs.

This data has been compiled specifically to respond to this question.
