

WPQ: 50498.

Question:

What are the median and mean salaries of the staff, if any, of the Minister's department, if any?

Answer:

As at the end of June 2024, the Ministry of Defence's median salary was: \$145,878 and the mean salary was: \$143,822.

The below table provides the median and mean salaries for both Regular Force military personnel and civilian staff of the New Zealand Defence Force as at 1 August 2024.

	Median	Mean
Civilian staff	\$91,448	\$100,352
Military personnel	\$88,143	\$97,135
